

Full Time - Junior Accountant

Who we are:

For 20 years, we've been leaders in the baby safety (Levana) and DIY security space (Defender), creating groundbreaking consumer electronics that bring peace of mind to millions of people all over the world. Selling directly through our brand websites, Amazon, and online through our retail partners such as Costco, Walmart, Sam's Club, BJ's, Home Depot and Best Buy we are growing fast and are looking for new team members to join us on this journey. For those looking to join a passionate and collaborative team that challenge conventional methods, take risks, and settle for nothing but excellence, you've found the right place!

What's In It For You:

- Competitive compensation
- Opportunity for career growth
- Flexible start and end time schedule
- Onsite fitness equipment and recreational space

How You'll Make an Impact:

We are looking for a Junior Accountant with an interest and desire to gain experience in an e-commerce business! Reporting to the Controller, you will support the Finance and Accounting team.

Duties include carrying out the day-to-day activities of the Finance and Accounting department, including

- Performing accounts receivable and payable functions including entering bills and making cheques
- Supporting the costing and inventory management processes
- Working in our ERP, Microsoft Business Central Dynamics 365 System
- Assisting with General Ledger Accounting, Financial Analysis and Reporting
- Demonstrating strong Excel skills to create and analyze reports
- Following SOP's and assisting with other duties as assigned by Controller and CEO

Who You Are:

- Currently enrolled in your final year of, or graduated from, a post-secondary Accounting program
- Knowledgeable in accounting principles for e-commerce
- Has a good understanding of and experience using Excel to apply formulas, sort / filter and manipulate data. Familiarity with other Microsoft Suite programs
- Working knowledge of Power BI is an asset
- Tech-savvy with an ability to learn new systems quickly
- Experience working with an ERP system, preferably Microsoft Dynamics suite of products (Navision /Business Central, Great Plains); experience using Avalara is an asset
- Highly analytical with a keen attention to detail
- Self-directed learner who can manage changing priorities independently in a fast-paced entrepreneurial, but is not shy to ask for direction when needed
- Team player with excellent people skills
- Possesses a passion for consumer electronics and an entrepreneurial green-light mindset
